

PROVIDER ALERT

September 17, 2010

**ValueOptions® Authorization for Release of Information (ROI)
to
Department of Rehabilitation (DORS) Counselors**

“ValueOptions® Release of Information to DORS Counselors” is posted on the ValueOptions® Maryland website –

http://maryland.valueoptions.com/provider/forms/admin/VO_Release_of_Information_-_DORS.pdf

A Signed Release of Information allows ValueOptions® Maryland to release Protected Health Information (PHI) to the consumer’s DORS counselor. Providers should secure a signed ROI and attach the ROI to the request for Supported Employment.
