

PROVIDER ALERT

November 23, 2010

ValueOptions® Service Matrix

IMPORTANT NOTICE REGARDING PLACE OF SERVICE (POS) Codes

The ValueOptions® Service Matrix, posted on this website (<http://maryland.valueoptions.com>, For Providers, Provider Information, Clinical/Utilization Management), is updated to reconcile the POS Codes with the POS Codes accepted by Medicaid.

This update is required in order to maximize the federal match for Medicaid services.

Effective November 23, 2010, claims received with unacceptable POS Codes will be denied.

In the near future, claims previously paid with an unacceptable POS Codes will be retracted. Providers may resubmit the claims using acceptable POS Codes. A Provider Alert will be posted prior to the retractions.
