PROVIDER ALERT

ABA Provider Council Meeting

DECEMBER 12, 2018

Beacon Health Options will be hosting quarterly ABA Provider Council meetings. These meetings will be held at our Beacon Health Options office located at 1099 Winterson Road, Suite 200, Linthicum, MD 21090. These meetings are an opportunity to receive updates from the Department and Beacon and to participate in the discussion of agenda items. The next ABA Provider Council Meeting will take place on:

December 18, 2018 @ 11 AM

We strongly encourage providers to plan on attending as we will be discussing the RBT requirement and code changes that are set to take effect January 1, 2019. Questions or concerns should be sent IN ADVANCE of the meeting via email to: abamarylandproviderrelations@beaconhealthoptions.com by the close of business on Friday, December 14, 2018. Questions not sent via email by **December 14th** cannot be guaranteed an answer at the provider council meeting.

This ABA Provider Council will take place in conjunction with a free CEU event. We encourage providers to attend this meeting on-site, but understand that this may not be possible for everyone. For those unable to attend on-site, we will be using the webinar format. For telephonic participation during the meeting, you will need to log into a webinar link which is in a "listen only" format; you will not be able to freely ask questions. This format minimizes the background noise so that all participants will have an equal opportunity to hear. Providers participating remotely may type into a "question and answer" pane that is part of the webinar. We encourage participation through this format for questions or discussions on items that are raised from the agenda.

Program-specific claims issues will not be addressed in the meeting. Providers are reminded to send claims questions with examples to:

abamarylandproviderrelations@beaconhealthoptions.com

Please use the attached link to register for the ABA Provider Council Webinar:
