BEACON HEALTH OPTIONS PRESENTS: “BREAKING DOWN THE BARRIERS: PROGRAMMING FOR PARENT TRAINING”

JUNE 4, 2018

Beacon Health Options is pleased to announce that a FREE CEU event is being offered at our office located at 1099 Winterson Road, Suite 200, Linthicum, MD 21090. The event will be for one Type-2 CEU. The CEU presentation is scheduled on:

THURSDAY, JUNE 28, 2018 at 10:00 AM

BCBAs interested in obtaining a CEU *must register using the provided link below by June 26, 2018*. We encourage providers to attend in person; however, the event will be streamed as a live WebEx presentation. Registration is required, whether participating in person or online in order for an individual to obtain one Type-2 CEU.

Participation requirements: This CEU is offered as a FREE event through Beacon Health Options. The CEU requirements for this event remain within the standards and expectations as outlined through the BACB for both in-person and online participants. The Webex platform will measure the amount of time that remote participants attend the CEU event. This means that if you do not attend in-person, you will be required to attend to the Webex screen through the entirety of the presentation with a minimum of 80% attendance. In order to receive credit for attendance online, you should leave the Webex screen open, avoid clicking out of the Webex to complete other tasks, and avoid letting your screen go to sleep. Any of these will negatively impact your attendance rating while participating via the online Webex. Once the Webex has ended, you will be required to submit the verification code via email to:

abamarylandproviderrelations@beaconhealthoptions.com

Those who fail to attend a minimum of 80% via Webex and/or do not submit the verification code and/or survey within 24 hours will be deemed ineligible for the FREE CEU.

CEU certificates will be mailed directly to the BCBA or BCBA-D via mail to the address that was provided at registration. CEU certificates will be mailed within 30 days of the event.

Please use the attached link to register for this event:
