

PROVIDER ALERT

Retracted: Changes to Adult Initial and Concurrent Psychiatric Rehabilitation Program (PRP) Clinical Request Forms

August 10, 2022

Target Audience: All Adult PRP Providers

On August 3, 2022, Optum Maryland released a [provider alert](#) regarding upcoming changes to the Adult Initial and Concurrent PRP Clinical Forms.

Implementation of these changes will not be going ahead on August 17 as originally communicated. Optum Maryland and the Maryland Department of Health will continue to review these forms with providers and will communicate further with the provider community at a later date.

Thank you,

Optum Maryland Team
