Common Denial Reason:

“Bill type discharge status conflict”

- IP Bill Types that end in a '1' or '4' cannot have a discharge status of '09' or '30'
- IP Bill Types that end in a '2' or '3' (interim) can only be '09' or '30'

Fields 31-34: Occurrence Codes and Discharge Dates

- Required for in-patient bill types with a frequency code of '1' or '4' first/last claim
- Interim bill types (frequency code '2' or '3' first/continuing claim) cannot have a discharge date

Example

31 OCCURRENCE CODE	DATE
42	12/31/2019

6 STATEMENT COVERS PERIOD FROM	THROUGH
12/28/2019	12/30/2019

- Occurrence Code '42' = Date of Discharge
- Through date in Statement Covers Period is NOT the actual discharge date, as Discharge is not included
- Discharge date must be one day after through date

Common Denial Reason:

“Discharge date is missing”

Discharge date required on in-patient bill types that end in a '1' or '4'

“Discharge date must be outside of statement covered period”

Discharge date must not be part of statement covers period for in-patient bill types ending in a '1' or '4'

“Invalid discharge date”

Discharge date <> Through date in Statement Covers Period + 1

“Discharge date conflict”

IP Interim claims cannot have a discharge date

Bill type 2, 3, cannot have discharge date

UB04 Form – Fields 39-41: Value Codes and Amounts

Fields 39-41: Value Codes and Amounts – Unit Validation

- Value Code '80' denotes the number of covered days contained in the Amount box.
- The number of covered days must equal the number of days in the statement period (FL 6)

Example of 5 Covered Days

39 CODE	VALUE CODES AMOUNT	6 STATEMENT COVERS PERIOD FROM	THROUGH
80	5.00	12/26/2019	12/30/2019

- Value Code '80' indicates 5 covered days where the statement covers periods indicates 12/26-30.
- This shows an example of Covered Days counted correctly.

Covered Days	Date
1	12/26/2020
2	12/27/2020
3	12/28/2020
4	12/29/2020
5	12/30/2020

Common Denial Reason:

“Invalid/Missing number of units”

Value Code '80' missing,

OR

'Value Code '80' is present but Amount in box 39 (Number of Covered Days) does not equal the number of days in the Statement Period
